

Receiving the Teacher of the Year Award from Grass Lake School is a true honor. I would like to thank the Board of Education, the Administration, and my wonderful colleagues for the award. I would also like to thank the families and students of Grass Lake School who make it the best place in the world to teach. It is amazing to be recognized for something I truly love to do, and it was an honor to be at the graduation ceremony with a group of students who show such promise and talent. I would like to congratulate the graduates, and wish them the best as they go forward as Braves to the high school. Whether you are an athlete, an artist, a musician, a scholar, an actor or actress, a scientist, or a teacher of the future.....I hope you will go forward with optimism and perseverance. Take chances, try new things, and find something you love to do in your own lives. Then come back to GLS to visit and share your accomplishments. We will miss the class of 2017, but once you're a Brave, you will always be a Brave! I am sure you will go forward and make us all proud!

Mrs. Nicole Sweeney
