

7TH GRADE AMERICAN HISTORY

Ms. Boliaux's Class
at Grass Lake School

WHAT'S HAPPENING

The Revolutionary Era

We returned from Winter Break with learning about the contributing factors that led into America's decision to rebel against its British rulers in The American Revolution. In this unit, we see the birth of a new nation, get to know some of its greatest leaders, and learn how a group of colonists took on one of the most powerful empires in the world.

Students are using their notes to build into the understanding towards how the resentment of the colonists grew against the British crown, what they did to provoke the laws on taxes, and how Parliament responded to their efforts.

A NOTE FROM THE TEACHER:

Students receive homework assignments every week. Please check Google Classroom or Infinite Campus for updates on your child's progress.

WHAT'S NEXT

The Early Republic

Next month, we will move along the timeline of our nation's history and examine the first five Presidents, as well as explorers and leaders who shaped the country. We'll also discover how "everyday" people lived in the early republic.

We plan to utilize the information from this unit to begin building into our upcoming PBL project.
