

# CLASSROOM RULES

Our rules are clearly established within our classroom and throughout the building at the beginning of the year. We follow the GLS Handbook, and use a Rainbow Discipline System in the classroom. Students are expected to behave in a manner that shows respect for self, others, and school property. Following our PBIS traits of being safe, respectful, and responsible is always expected. Honesty, caring, and good citizenship will be rewarded and encouraged at all times. First grade students will be reminded of these rules often and are expected to appropriately conduct themselves at all times in the building and outside at gym or recess.

## Our Classroom Rules

Be responsible and respectful of all.

Be fair and be kind.

Be a good listener. Raise your hand.

Keep your hands to yourself.

Do your best and be a team player.
