PRESCHOOL SCREENING

Grass Lake School District 36 will conduct a free screening for District children ages 3, 4, and 5 during the school day on March 5, 2024. Parents are encouraged to participate in the screening if they can answer “No” to more than one of the following questions:

- Does my 3,4, or 5 year old child attend preschool?
- Does my child speak a language other than English?
- Does my child have the opportunity to interact with children his/her age?
- Does my child have appropriate play skills?
- Does my child understand and use language to express himself/herself?
