PREK FOR ALL!

Grass Lake School District 36 and Emmons School District 33 will conduct a free screening for District children ages 2*, 3 or 4 during the school day on May 20, 2024. Parents are encouraged to participate in the screening. Our new and free PREK for ALL program will be in place for the 2024-25 school year. An AM and PM session will be offered Monday through Friday!

Transportation is available to and from this program. As we continue to develop the PREK FOR ALL program, we will strive to partner with nearby daycares to support our families' childcare needs.

PREK for ALL will allow your child to develop the skills they need to succeed in school and later learn in life. This blended program is designed to meet the needs of all students to help prepare them for Kindergarten.
