Meeting Minutes

Treasurer's Report

- Fund request submitted for Junior High field trip was approved. Communication of approval will be made to Ms. Ryan.

Family Fun Night

- January open gym had great attendance.
- Follow-up with Mr. Tomei for February game night. PTO will provide food & games for raffle similar to last year. Hot dogs, chips & drink will be available for purchase. Will confirm with Mr. Tomei whether an admission fee or additional raffle tickets will be sold.

Daddy Daughter Dance

- Lisa confirmed she has photo props for our theme of "Lashes & Staches". Chocolate roses & mustaches will be made as a party favor. Nicky will research any additional favor ideas that might be added within our budget.
- A photo booth will be available at the venue for use. Nicky will confirm whether there is any limit to the amount of photos that can be taken. Nicky is looking into purchasing acrylic frames for the photo strips.

Mother/Son Event

- The PTO is still vetting out ideas for this year's Mother/Son event to take place on Sunday, March 6th. Ideas include painting ceramics with lunch, Chicago Wolves game & Medieval Times. Pricing will be confirmed and communicated to GLS families for a vote on what would be preferred.
- PTO is looking into transportation options for Chicago Wolves & Medieval Times. This will add to the price per ticket, as the budgeted amount for this event is already being used to offset tickets.

Auction/Parent's Night Out

- Communication needs to be sent out to GLS families announcing tickets on sale for the Auction, as well as a request for donations. Correspondence will go out the last week in January.
- A list of items received was reviewed with the group; however, more donations are needed. A list of area businesses that have not been contacted yet was communicated with the group to pursue donations.
